# Patrick A. Ungashick

Helping business owners achieve successful exits

Patrick has been helping business owners plan for and create successful exits for more than twenty-five years. He has worked with owners of businesses in a wide variety of industries, from as small as several million in revenues to as large as nearly half a billion.

Patrick is an author, highly sought-after speaker, and knowledgeable advisor. He has been quoted in the *Wall Street Journal*, *New York Times*, *Financial Week* and other media.

THE WALL STREET JOURNAL.

The New Hork Times

## **Client Testimonials**

" 'One of the best speakers we've ever had', 'extremely helpful in kick starting my exit plan', 'unique and innovative approach' were just some of positive feedback I received from the group."

Marty O., San Francisco, CA

"Your scores from the group were straight 5s! In 14 years of meetings I have only seen straight fives from my group twice before. You have qualified for the group's "Speaker Wall of Fame".

David S., Chicago, IL

"In terms of dollar value, I can't think of any other speaker who has had greater impact on our [business] owners."

Louis A., Lexington, KY

"You received all 5's in ratings and two CEO attendees said you were the best presenter and best presentation in their 15+ years.

Brad R., Dallas, TX

# More Information

## **Published Books**

#### Dance in the End Zone

Whether your ideal exit is soon or many years from now, this is a must read for business owners. The book reveals the Seven End Zone Questions that owners must answer to achieve a successful exit, and provides more than fifty tools and tactics to reach your end zone.

Visit www.patrickungashick.com to order your copies today. Also available from Amazon and in eBook format for Kindle and iBooks readers.

#### A Tale of Two Owners

The story of two business co-owners who realize, as many co-owners do, that their exit goals are incompatible. It's a fable that deals with a critical real world issue—how can one owner happily exit, when achieving his goals means denying a successful exit to one's co-owners?
