

Ali Flint

Ali Flint is an independent Consultant with NAVIX exit planning network.

Ali works with founders, CEOs, and CFOs on strategic and exit planning, finance, operations, and sales growth.

Ali began her career at Bank of America's Global Corporate & Investment Bank in Houston and then London. There, she was responsible for underwriting and structuring multi-billion-dollar syndicated loans to finance general liquidity and M&A transactions. Her industry specializations include Natural Resources and Healthcare.

After BofA, she served as CFO and Chief Strategy Officer at interRel Consulting, a privately owned technology company. There, she discovered NAVIX and learned that the key to running a healthy company is running a company well-positioned for the exit. She worked for years alongside the CEO to help him achieve a happy exit in 2020.

She has a Bachelor of Business Administration in Finance and a minor in African Studies from the University of Houston. She has traveled extensively and lived in London, Beirut, and Phuket, Thailand.
